

National Institutes  
of Health  
*Clinical Center*

**SELF-REPORT CREDIT FORM**

**Accreditation Statement**

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education through the joint sponsorship of The Johns Hopkins University School of Medicine and the National Institutes of Health. The Johns Hopkins University School of Medicine is accredited by the ACCME to provide continuing medical education for physicians.

**Credit Designation Statement:**

The Johns Hopkins University School of Medicine designates this live activity for 1 credit per session for a maximum of 44 *AMA PRA Category 1 Credit(s)*<sup>TM</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**Clinical Center Grand Rounds**

Lipsett Amphitheater  
12 Noon – 1 p.m.  
April 24, 2013

**Maladaptive Cortical Plasticity: Impact of Amputation and Vision Loss**

**Christopher I. Baker, Ph.D.**, Tenure-Track Investigator and Chief, Unit on Learning and Plasticity, NIMH

**Neural Circuits Mediating Unconscious Vision in Blind Sight**

**David Leopold, Ph.D.**, Senior Investigator and Chief, Section on Cognitive Neurophysiology and Imaging, NIMH and Director, Neurophysiology Imaging Facility, NIMH, NINDS, NEI

**Note: To receive CME credit, this form must be completed and returned to the Office of Clinical Research Training and Medical Education by 6 pm on the day of the lecture. Please fax forms to 301-435-5275 or scan and email forms to [daniel.mcanally@nih.gov](mailto:daniel.mcanally@nih.gov). For CC Grand Rounds CME inquiries, contact Daniel McAnally 301-496-9425**

FULL DISCLOSURE POLICY AFFECTING CME ACTIVITIES

**Clinical Center Grand Rounds**

Lipsett Amphitheater

Bethesda, Maryland

April 24, 2013

As a provider approved by the Accreditation Council for Continuing Medical Education (ACCME), it is the policy of the Johns Hopkins University School of Medicine Office of Continuing Medical Education (OCME) to require signed disclosure of the existence of financial relationships with industry from any individual in a position to control the content of a CME activity sponsored by OCME. Members of the Planning Committee are required to disclose all relationships regardless of their relevance to the content of the activity. Speakers are required to disclose only those relationships that are relevant to their specific presentation. The following relationships have been reported for this activity:

**SPEAKERS NAME AND LECTURE TITLES**

**Christopher I. Baker, Ph.D.**

Maladaptive Cortical Plasticity: Impact of Amputation and Vision Loss

**David Leopold, Ph.D.**

Neural Circuits Mediating Unconscious Vision in Blind Sight

**No speaker has indicated that they have any financial interests or relationships with a commercial entity whose products or services are relevant to the content of their presentations.**

**No planner has indicated that they have any financial interests or relationships with a commercial entity.**

Note: Grants to investigators at the Johns Hopkins University are negotiated and administered by the institution which receives the grants, typically through the Office of Research Administration. Individual investigators who participate in the sponsored project(s) are not directly compensated by the sponsor, but may receive salary or other support from the institution to support their effort on the project(s).

**OFF-LABEL PRODUCT DISCUSSION**

The following speakers have disclosed that their presentation will reference unlabeled/unapproved uses of drugs or products:

**Name**

**Product**

**No speaker has indicated that they will reference unlabeled/unapproved uses of drugs or products.**

# EVALUATION FORM

Clinical Center Grand Rounds at the National Institutes of Health

April 24, 2013

Please complete the Continuing Medical Education Questionnaire. To indicate your answers, use the rating scale that is shown by circling the number that represents your answer.

**Scale:**

1 - None or Not at all 2 - Very little 3 - Moderately 4 - Considerably 5 - Completely N/A - Not applicable

**Speaker: Christopher I. Baker , Ph.D.**

**Objective:** Describe behavioral symptoms following deprivation of sensory input. Outline current theories regarding the impact of such deprivation on neural processing in sensory cortex.

**A. Rating of Objectives and Activity**

1. Please rate the attainment of objectives:

- a. Define options and alternatives that will guide clinical practice      1   2   3   4   5   N/A
- b. Evaluate practical information about clinical research principles based on state-of-the-art information about scientific discovery and clinical advances      1   2   3   4   5   N/A
- c. Analyze information and opportunities to increase and improve collaboration between investigators      1   2   3   4   5   N/A

2. The overall quality of the instructional process was an asset to the activity:      1   2   3   4   5   N/A

3. To what extent did participation in this activity enhance your professional effectiveness?      1   2   3   4   5   N/A

4. Will you change your practice in any way as a result of attending this activity?      1   2   3   4   5   N/A

5. Did you perceive any commercial bias? Use the following criteria to judge?

- a) The content presented was balanced, evidence-based, demonstrated scientific rigor, and was without commercial bias.      \_\_\_No \_\_\_Yes  
If no, please specify: \_\_\_\_\_
- b) I was informed about the existence and resolution of relevant financial relationships/conflicts of interests of planners and presenters prior to the presentation.      \_\_\_No \_\_\_Yes  
If no, please specify: \_\_\_\_\_
- c) Speakers who discussed off-label, investigational, or alternative uses of products, devices, or techniques disclosed this in their presentation.      \_\_\_No \_\_\_Yes  
If no, please specify: \_\_\_\_\_

**B. Comments:**

1. What comments or suggestions do you have for the faculty presenter(s)?  
\_\_\_\_\_

2. Are there any other speakers or new topics you would like to have covered in this or a related activity?  
\_\_\_\_\_

3. Do you have additional comments to enhance the utility or impact of the activity?  
\_\_\_\_\_

4. May we contact you in several week's time with a very brief survey to assess the usefulness of this CME activity? \_\_\_Yes \_\_\_No    If yes, please provide your email: \_\_\_\_\_
